23			EASTER WEEKEND		

## SHU Women's West District

Dear Secretary,

Here as promised are your fixtures for next season. There were a few problems, so please read this note carefully.

### Size of the DL

We have 43 teams next season, so bearing in mind that you all say you want to play as much as possible, we went for four big divisions rather than five small ones. So there are 10 each in DL1 and DL2, 11 in DL3 and 12 in DL4. This meant some juggling around, with the 5 new teams going in at DL4 (GHK II, coming out of the Reserve League, exercised their club right to take their 3rds' place in DL2 and put the 3rds and 4ths in DL4) We were hard pressed for Saturdays for DL3 and DL4, before ever looking at all your requests for unavailable dates. Eventually I managed the annual jigsaw session but it has meant that some teams unavoidably have double header weekends; I tried to put these in at a variety of times, but sometimes local holidays worked badly against me. If you find there is a major problem, please speak to me in August at the Captains and Secretaries Meeting. I intend to produce a consolidated fixture list which I hope Karen can put onto the website, and this will help you all to find umpires! Remember DL1 and DL2 require a full 'C' badge, and DL3 and DL4 require a written pass next season.

### Names of Teams

Last year's Glasgow Western and Clydesdale teams are now part of the same club, Clydesdale Western. Both have ongoing sponsorship deals, so their names look unwieldy but please bear with them -

In DL1	Milne Craig Clydesdale Western White Sox (formerly MC Glasgow Western IV)
Also in DL1	Greaves Clydesdale Western Navy Sox (formerly Greaves Clydesdale)
In DL3	Greaves Clydesdale Western II (formerly Greaves Clydesdale II)
In DL4	Greaves Clydesdale Western III (formerly Greaves Clydesdale III)

I wrote out the names in full once on each fixture list, then abbreviated them to the sponsor's name and CW whatever. Please make sure you know which team you are playing.

### West District Cup

We have 31 teams in the West District Cup this year, Round 1 to be played on Saturday 2<sup>nd</sup> October. These fixtures are on your sheet.

Unfortunately, SHU has altered the structure of the women's national cup competitions to parallel the men's ones, so we now have a Scottish Cup, a District Cup and a Reserve Cup. 1<sup>st</sup> teams who entered the old NL Cup will now enter the Scottish Cup; 2<sup>nd</sup> teams of those entering the Scottish Cup and 1<sup>st</sup> teams who choose not to enter the Scottish Cup will enter the District Cup; 2<sup>nd</sup> teams of those entering the District Cup and all 3<sup>rd</sup> teams or 4ths or whatever will enter the Reserve Cup, which we did not used to have in women's competitions. The Reserve Cup is played on Saturdays, and my usual luck has decreed that their Round 1 is the same date as ours. Unless lots of you are entering national competitions next year, I am of the opinion that this might affect four of our teams; if these teams get matches in Round 1 (which we will not know until mid-September), we will ask them to play their West District Cup match on Sunday 3<sup>rd</sup> October. If they progress to farther rounds of the Reserve Cup, we will also rearrange their fixtures on the other dates later in the season. If it had been possible, I would have altered the Round 1 date, but it is bookended by the Glasgow holiday weekend and the first weekend of the October school break, so I was foiled. Next season we might look at making it a mandatory Sunday date in early October, so we would like your feedback on this idea.

### Captains' and Secretaries' Meeting

Finally, and especially if you have any problems about all these announcements, we plan to hold the Captains' and Secretaries' Meeting at 7 p.m. on Thursday 26<sup>th</sup> August 2010 in Hughenden. With the difficulties that the bigger league and the tightness of the fixtures may bring, it is even more in your interests than before to attend this (especially when I am giving you the date just now) Please write it in your diary now, and I will send a reminder in early August.

After all this, have a very good (albeit short) close season; I will see you all in August.

(Sorry this is so small but I'm saving on the photocopying costs)
